PHOENIX

POST MOUNT INSTALLATION SYSTEM

Fast and Easy Installation

**No digging post holes or
concrete**

Easy to repair and adjust fence

Eliminates frost heave

Procedure:

Pound 1-7/8" OD x 8' Long Galvanized Pipe 4' into the ground

Screw Post Sockets to top and bottom on length of pipe above ground

Sleeve Vinyl 4" or 5" Square Post over the two sockets

Assemble fence sections between posts

Alternately, Vinyl Posts can be set directly into conventional "dug & poured" concrete piles

Sentry
